

What are the reasons **Bitcoin** has emerged to become the **strongest asset protection instrument** in existence and meanwhile the **best performing asset class** of the decade?

Bitcoin & Beverages at Baxter's: an educational social hour and RCC fundraiser.

Hosted by Robinson Dorion and JWRD Computing

Sponsored by Casella Waste Systems & Horizon Beverage Group

Format

- A 25-30 minute presentation covering the following topics:
 - Overview of the **key structural changes** of the past few decades to **international banking and law** which have substantially **diminished the value of traditional asset protection instruments** such as trusts and private foundations.
 - **What is Bitcoin?** There is an abundance of hype and speculation, but often a scarcity of understanding. **The rules of the system will be explained to establish a clear understanding.**
 - What are the reasons Bitcoin continues to grow in power and importance? **How does it measure up in terms of purchasing power, computing power, energy consumption and monetary stability and sovereignty ?**
- 5-10 minutes of questions and answers.
- A social hour following with appetizers included.
- *Come learn, eat, drink, laugh and chat with old and new friends about freedom for the benefit of the club.*
